Interpreting Your Exam Results. Examination scores can range from 0 to 100, with 70 being the passing score. Your score on this exam fell within the ten-point range indicated in the Exam Score column of the histogram below. Exam questions are developed on the basis of the educational objectives presented in the study materials for this course. To determine your performance on the questions based on each course assignment, see the Performance by Assignment section of the histogram.

Score Range	Exam Score	Performance by Assignment									
		1	2	3	4	5	6	7	8	9	10
90-100	<>	<>	<>		<>	<>	<>				
80-89				<>				<>	<>	<>	<>
